

KLU lab regulations

- Everyone should come to the lab on time.
- Mobile phones are strictly forbidden
- No one is allowed to work in a laboratory unless Lab Supervisory Personnel (LSP) are present. DO NOT ENTER LABORATORY unless your LSP is present in the lab.
- No eating, drinking, or smoking is permitted in the laboratory.
- Only authorized experiments may be performed. Equipment should be performed only for its intended purpose.
- Bags and coats are not allowed in the lab; bring only the necessary things in.
- In the lab everyone must wear a labcoat. Each visitor must have his/her own lab coat and sign in the lab book. All attendance register must be signed daily.
- Do not invite anyone into the lab.
- Keep the lab clean and tidy. The working space, desk drawers, cabinets, instruments must be kept neat and clean at all times.
- Once per month there will be a labcleaning. Everyone who used the facilities of the lab that month must help to clean it.
- Before starting a new experiment, the pre-lab questions must be submitted by noon the day of the experiment to the lab supervisor
- Appropriate clothing (Lab Coats, Long Pants and Closed Shoes are required)
- An accident report is necessary for any accident or chemical spill, no matter how minor the incident seems
